Looks good. I edited it, but only to make it shorter and cut out some details that I don't think the RA needs to know. Thoughts?

Hi Michael,

Attached is the one pager for Riverside. You don't have to review this yet because it will need to be updated on Monday but time is tight and real estate for this one-pager is low. Should I cut some content and stick to only one page or is it okay to go a little over?

Thanks!
